ORDER:

In the reference read above, the Secretary, Gurukulam, Hyderabad has stated that (2) Schools of Excellence and (2) Colleges of Excellence have been started for imparting quality education to the ST students vide G.O.Ms.No.42, Social Welfare (TW.Edn,1) Dept., dt.31.5.2005., G.O.Ms.No.55, Social Welfare (TW.Edn.1) Dept., dt.06.07.2006 respectively with an intention to prepare the ST students for the National and State Wide competitive examinations in order to get admission in IIT, Medical and Professional Courses in reputed National Institutes. They are as follows;

Sl. No.	Name of the SOEs/COEs	Status	Sanctioned Strength	Catchments districts
1	SOE, Parvathipuram	VIII to Intermediate (Co-Ed.)	270+180 =450	Srikakulam, Vijianagaram, Visakhapatnam, East Godavari, West Godavari & Krishna
2	SOE, Srisailam	VIII to Intermediate (Co-Ed.)	270+180=450	Kurnool, Guntur, Prakasham, Nellore, Chittoor, Kadapa & Anantapur
3	COE, Srikalahasthi	Intermediate only (Co-Ed.)	160	Kurnool, Guntur, Prakasham, Nellore, Chittoor, Kadapa & Anantapur
4	COE, Vizag	Intermediate only (Co-Ed.)	160	Srikakulam, Vijianagaram, Visakhapatnam, East Godavari, West Godavari & Krishna
		Total	1220	

2. The above (4) Institutions are Co-Educational. The Principals of the SOEs & COEs have submitted representations several times, that the education is getting badly affected in this residential co-education system.

3. The Secretary, Gurukulam, Hyderabad has further stated that in view of the repeated appeals of the Principals and discussions held during the Principals' Meeting held on 31-10-2015, the following issues are submitted for perusal.

- As the teenage boys and girl students are staying in the same campus. it is leading to constant emotional disturbance and diversion of concentration from the studies leading to dilution of the purpose for which such institutions are introduced.
- There is mutual teasing between some boys and girls. Though it starts in a lighter mood, it is ending in the parents getting agitated and requesting for separating the institutions for boys and girls.
- Most of the valuable time of the teachers is spent in looking after the security and taking safeguard measures and sorting out the issues .

(P.T.O)

4. Further, the Secretary, Gurukulam, Hyderabad has stated that:-

- Except the Schools and Colleges of Excellence all other Institutions are gender wise separate institutions. In corporate and Government sectors also residential Institutions in Intermediate are functioning boys and girls' colleges separately.
- Exclusive Institutions are helpful in increasing enrollment, especially girl students.
- The newly started (3) COEs in Gurukulam are also sanctioned for boys and girls' institutions separately.
- **In this regard, it is stated that there will not be any loss or inconvenience to the students belonging to the catchment areas in case the co-education institutions are bifurcated, since the two bifurcated institutions of the two regions are located in the same catchment area**.

5. Keeping in view all the above facts, the Secretary, Gurukulam, Hyderabad has requested the Government that the above Co-education institutions may be converted into separate boys and girls' institutions without changing the catchment area. The existing SOEs are having classes VIII to intermediate where as COEs are having intermediate classes only. The Principals of the SOEs, COEs have proposed to introduce School section i.e., 8th to 10th Class in (02) COEs to maintain uniformity in aspects of strength & pattern in all Institutions of Excellence for the academic year 2015-16 for smooth running of the Institutions.

6. INTRODUCING OF SCHOOL SECTION (VIII, IX & X CLASS) IN (02) COEs:

The Secretary, Gurukulam, Hyderabad has stated that at present in each region (1) SOE with the strength of 450 (8th to Intermediate) and (1) COE with the strength of 160 (exclusive Intermediate) with co-education have been functioning as given under.

Sl. No.	Existing pattern		Existing Strength		Catchment districts
1	SOE, Parvathipuram	VIII to Intermediate (Co-Ed.)	8th to Inter	450	Srikakulam, Vijianagaram, Visakhapatnam, EG, WG, Krishna
2	COE, Vizag	Intermediate (Co-Ed.)	Only Inter	160	
3	SOE, Srisailam	VIII to Intermediate (Co-Ed.)	8th to Inter	450	Guntur, Prakasam, Nellore, Chittoor, Kadapa, Kurnool, Ananthapur
4	COE, Srikalahasthi	Intermediate (Co-Ed.)	Only Inter	160	

7. The Secretary, Gurukulam, Hyderabad has further stated that after gender wise bifurcation and introducing of VIII to X in COE the strength particulars will be as under:-

Sl. No.	Existing pattern		Proposed pattern		Catchment districts
1	SOE, Parvathipuram	VIII to Intermediate (Co-Ed.) (270+180)=450	8th to Inter	School(135)+ College(180) = 315 For Boys	Srikakulam, Vijianagaram, Visakhapatnam, EG, WG, Krishna
2	COE, Vizag	Intermediate (Co-Ed.) (160)	8th to Inter	School(135)+ College(180) = 315 For Girls	
3	SOE, Srisailam	VIII to Intermediate (Co-Ed.) (270+180)=450	8th to Inter	School(135)+ College(180) = 315 For Boys	Guntur, Prakasam, Nellore, Chittoor, Kadapa, Kurnool, Ananthapur
4	COE, Srikalahasthi	Intermediate (Co-Ed.) 160	8th to Inter	School(135)+ College(180) = 315 For Girls	
	TOTAL	1220		1260	

Due to the above proposal, (20) additional student strength will be added in each COE from the academic year 2016-17 and 2017-18.

8. **Pattern of Teaching Staff:**

The Secretary, Gurukulam, Hyderabad has stated that the teaching staff also needs to be segregated while introducing school section in COE. For adjustment of teaching staff the following proposal is submitted for each unit i.e., the pattern that will be followed while converting one COE into SOE.

No. of Posts sanctioned	Existing Staff Pattern		Proposed staffing pattern after bifurcation		Remarks

9. The Secretary, Gurukulam, Hyderabad has stated that while converting COE into SOE, the existing staff will be adjusted with the available cadre strength except for the post of Hindi PGT. The same pattern will be followed in COE, Visakhapatnam and COE, Srikalahasthi. Thus in both units of convertion (SOE, Parvathipuram & COE Visakhapatnam is one unit, SOE, Srisailam & COE, Srikalahasthi 2nd unit) it is clear that the existing staffing pattern will be continued except PGT Hindi. So there is a need to take additional (02) Hindi PGTs on outsourcing basis to converted the COEs.

10. The Secretary, Gurukulam, Hyderabad has stated that the additional post of PGT (Hindi) shall be filled by appointment on outsourcing basis by transferring these posts from the Schools in the respective zones in the following way.

Zone	Name of the COE	Name of the post that needs to be appointed on outsourcing basis	Name of the School from which it is proposed on transfer	Remarks

12. The Secretary, Gurukulam, Hyderabad has therefore requested the Government to accord permission to bifurcate the Co-Education system in existing College of Excellence and School of Excellence without need for additional allocation as proposed in the foregoing paras.

13. After careful examination of the proposal, Government hereby accord permission to bifurcate the Co-Education system in the existing College of Excellence and School of Excellence without need for additional allocation as detailed below:-
